

WWW.THEXFADER.COM

Product of Under Design Phila., PA USA
TM and © 2006. All Rights Reserved.
Rated 1kOhm Passive Circuit.

This is an example
of the xFader
color/art enclosed!

- xFader Stereo Crossfader - hand-made for bedroom dj's, house-party rocking, or simple sound experimentation. The xFader will mix two stereo sources into a master output, using it's two 4" stereo phone **input** leads, **output** via the built-in headphone jack. *Compatible with nearly every modern handheld music device!*
- 6ft. Stereo Patch Cable for connecting to amplifier (stereo phone jack to stereo rca jacks)
- xFader Army Stickers - spread the word, join our army!
- Register your xFader online at www.thexfader.com to download new skins, watch demo videos and xFader tricks.

CONTENTS
