BY RICHARD BACH

A soulmate is someone
who has locks that fit our keys,
and keys to fit our locks.
When we feel safe enough
to open the locks, our truest selves
step out and we can be completely
and honestly who we are;
we can be loved for who we are
and not for who we're pretending to be.
Each unveils the best part of the other.
No matter what else goes wrong
around us, with that one person
we're safe in our own paradise.
Our soulmate is someone who shares
our deepest longings, our sense
of direction. When we're two balloons,
and together our direction is up,
chances are we've found the right person.
Our soulmate is the one who
makes life come to life.
